

SUPPLEMENTARY FIGURES

Supplementary Figure 1. Methylation and correlation with expression of the four hub genes. (A) BRCA1 (B) CAD (C) CDC20 (D) RBM8A Red dot represents tumor sample; green dot represents normal sample. Horizontal axis is expression and vertical axis is methylation. *: $P < 0.05$; **: $P < 0.005$.

Supplementary Figure 2. Relation between expression of the four hub genes and OS. (A) BRCA1 (B) CAD (C) CDC20 (D) RBM8A.
